\* [redacted] Comment. The transfer from Pasewalk to Fuerstenberg of the 33d Gds Mtz Rifle Regt of the 9th Gds Tank Div was previously reported [redacted]

\*\* [redacted] Comment. The transfer from Eberswalde of elements of the army headquarters of the Fourth Gds Mecz Army, elements of the 63d AAA Div (US) and other units of the army during the period of observation indicated was previously reported. [redacted]

[redacted] observations indicated that the trains went to the area of Altengrabow. [redacted] The trains left Eberswalde in the direction of Britz and were probably routed west via Templin-Cranienburg. No information on a train carrying elements of the 63d AAA Div (US) from Templin to Eberswalde has been received. [redacted] the train presumably also went from Eberswalde to Altengrabow.
